

Extended Essay Official Agreement 2023 Cohort- Full IBDP Candidates- Year 1/ Grade 11

I certify that I have read the IB Extended Essay Agreement. I understand that the extended essay is an IB Diploma Program requirement, and I am aware that the quality and authenticity of my extended essay may determine whether I am awarded an IB Diploma or not. I herein also understand that my EE will not duplicate other work I am submitting for the Diploma Programme. (For example, any data, material or research used in the submission of an assessment task for another subject must not be used in the completion of an EE).

It is thus my responsibility to exhibit the attributes of the IB Learner Profile by meeting all assigned deadlines and abiding by the BBS Academic Honesty and Integrity policy so that I may qualify to take my senior 2023 IB May Examinations.

I acknowledge the fact that the BBS IB Office and HS Principal have the authority to set internal assessments timeline/calendar (IA deadlines); I am also aware that no assignments, projects or tasks will be accepted after the final due date/deadline.

You are required to fill out and sign this agreement, answer all the questions, and email it back to Ms. Mervat Awamleh (mervat.awamleh@bayanschool.edu.bh) by maximum Tuesday, November 1st, 2022 before 2:00 pm.
