BAHRAIN BAYAN  
SCHOOL'S WEEKLY

# BAYAN SCHOOL NEWS

---

Dear Esteemed Bayan Family,

Following up on last week's email, staff members will have the choice to attend school or work remotely from home **until Thursday, June 10.**

We will continue with the same guidelines mentioned previously regarding Faculty and Staff wishing to work on campus must inform their Line Manager/Principal and abide by the infirmary's rapid testing schedule while on campus.

Also, HR and Security will continue to coordinate with Principals to monitor staff attendance.

If you require further clarification, do not hesitate to contact your line manager or me.

Thank you and stay safe,

**STAY SAFE!**  
**STAY POSITIVE!**

## **Update: Pfizer Boosters to Recipients of Chinese Vaccine**

Due to battling a sharp resurgence of Covid-19 despite high levels of inoculation with a Chinese-made vaccine, booster shots have been made available to vulnerable citizens using a different vaccine. Bahrain residents who are over 50, are obese or have chronic illnesses now are being urged to get another shot six months after their full Sinopharm vaccination—with the Pfizer-BioNTech vaccine. The government's BeAware app allows users to book a Sinopharm booster shot, but says that Pfizer-BioNTech is recommended for more-vulnerable population groups.

## **The Bahrain Everest Team Just Donated Supplies to Nepal's Needy**

We know that the Bahrain Everest team has been reaching peak after peak, but this really touched our hearts.

In a heartwarming partnership with Aloft Hotels and Seven Summit Treks, they've been able to donate supplies to children in need across Nepal.

Nepal is currently battling a huge surge in COVID-19 cases, and we're sure our team's donations must've helped ease difficulties, and in the most heartfelt way!

## **Sputnik V factory to be built in Bahrain for Middle East, North Africa consumers**

A factory will be built in Bahrain to manufacture Russia's Sputnik V coronavirus vaccine for consumers in the Middle East and North Africa, the Russian Direct Investment Fund (RDIF) said in a statement on Thursday. The agreement was signed on the sidelines of the St. Petersburg International Economic Forum. Bahrain authorized the emergency use of the Russian vaccine in February 2021.

## **This Local Firefighter Rescued a Family of Six From a House Fire**

Mohammed Salem, a 33 year old off-duty firefighter from Hamad Town saved a family of six from a blaze that completely destroyed the ground floor of their building and trapped them upstairs. As he was washing his car outside his home, he saw smoke arising from a building in his neighbourhood and heard screams for help. Hailed as a hero, this man suffered from several bruises, a broken nose, and smoke inhalation after scaling across rooftops to save the family. He has since been honoured by the Ministry of Interior as well as by the Gulf Petrochemical Industries Company President, Dr. Abdelrahman Jawhari.

## **This Photo of the BIC Just Became The Tate Museum's 'Work of the Week'**

Tate Museum just announced this photo of the Bahrain International Circuit as it's Work of the Week! The photograph is a composition shot that's been taken from a helicopter, so you can see all the different angles of the track at once. Tate likens it to 'a snake in the desert'. The photographer, Andreas Gursky, took this photo in 2005 – only a year after Bahrain International Circuit was built. Bahrain was the first country in the region to host a Formula One race, and we still make our impact on the F1 calendar every year!

## **Locals Can Now Apply to Volunteer At Expo 2020 Dubai**

The Bahrain Authority for Culture & Antiquities, in collaboration with Tamkeen, is organizing the expo, and they've called for volunteers!! Anyone interested in being a part of the whole experience can apply, and a whole team of volunteers will be involved in the Bahrain Pavilion at the expo. You don't really need to have a specific background, just an interest in all things travel, culture, media and the willingness to experience it all! All you have to do is submit an application, along with a short essay describing your interest in volunteering to be part of the National participation at the expo's Bahrain Pavilion. (Deadline is 24th of June).
