YOUTH MENTAL  
HEALTH DAY  
7th September

# W

On Thursday 7th October, the Middle School Student Council organized a Youth Mental Health Awareness Day. Middle and High School Students dressed in the colour yellow to show their support for young people who experience anxiety, depression and stress. STUCO members designed poster displays for all the classrooms to remind students what to do when they feel down. They also provided students with stress-relieving activities like mandala colouring sheets and journaling sheets. All students were encouraged to find someone they trust to talk to at times when they don't feel so good.

## **BDF Wins Equestrian Event at World Military Championship**

The Bahrain Defence Force (BDF) equestrian team achieved first place in the 22nd World Military Championships in jumping in Brazil. On this occasion, His Excellency Field Marshal Shaikh Khalifa bin Ahmed Al Khalifa, commander-in-chief of the Bahrain Defence Force, extended his sincere congratulations to His Majesty King Hamad bin Isa Al Khalifa, the country's supreme leader, and to His Royal Highness Prince Salman bin Hamad Al Khalifa, Crown Prince, Deputy Supreme Commander and Prime Minister. Our team, consisting of riders Basil al Dosari, Saber Salman, and Ahmed Mansour, won first place and the gold medal with all merit to raise the country's flag high at the world military horse jumping championships held in Rio de Janeiro, Brazil from 14 to 17 October. The military team excelled in this tournament by winning the first place award over the competing teams from Brazil, Ecuador, France, Chile, Kuwait, and Paraguay. The Bahraini delegation at the tournament was led by Lieutenant Colonel Hamad Al-Katami and administrative officer Hamad Al-Shamma.

## **Bahrain Plans to Overcome the Effects of Climate Change & We Couldn't Be More Proud**

In this time and age, the general public and the higher authorities both need to be vigilant of the effects of climate change and the impact it has on the environment. Bahrain is on the right track to overcoming the effects of the said, and we couldn't be more proud! Plans to reach net-zero carbon emission by 2060 have been given the green light and for all the right reasons! Earlier, Saudi Arabia has also announced a similar plan to combat the effects of climate change by 2060. The net-zero initiative will involve developing green areas and making efforts in various fields in order to win the battle against this universal problem. Using clean technologies and developing more sustainable areas will be part of the initiative.

## **Bahraini Citizens Can Now Travel to Spain Without Getting Vaccinated**

Spain has eased up travel restrictions to enter the country, keeping the stats of Covid-19 in consideration. News for us is that people from the Kingdom of Bahrain can now travel to Spain even if they're not vaccinated. Getting vaccinated for Covid-19 has been the utmost priority in the Kingdom, but if for some reason you or anyone you know could not get vaccinated, you'll find this to be a piece of good news! Effective Monday, the UAE and Bahrain have been added to Spain's safe list of countries, meaning that you won't need a PCR test report, Covid-19 certificate, or vaccination proof to travel to the country. This is in lieu of the situation of the pandemic getting better and the general population being vaccinated in both countries.

All you have to do is fill in the Spanish Health Control form, obtain a QR code, which the airlines may ask before boarding, and it could also be requested on arrival at Spanish airports.

## **Bahraini Citizens Can Now Apply for an eVisa to Visit Russia**

The Government of the Russian Federation has decided to allow the citizens of the Kingdom of Bahrain to apply for an eVisa to enter Russia. This was announced by Ahmed Abdulrahman Al-Saati, the Ambassador of the Kingdom of Bahrain to the Russian Federation. Along with ease of application, the grace period to stay in Russia on arrival will also be extended from 8 to 16 days. The electronic visa will be obtained online and will not require a document that gives information on the purpose of the visit, like an invitation or a hotel reservation, as it was before.

The visa fee will only be \$40 (BD15) and children under the age of 6 will get one free of cost.

## **Bahrain Is Planning to Launch Its First Satellite in Space**

National Space Science Agency has announced that Bahrain is moving forward in the field of space sciences. NSSA CEO, Dr. Mohammed Al Aseeri confirmed that The Kingdom of Bahrain has started building satellites and the launch date of the first satellite will be announced by the end of this year, probably during National Day celebrations!

He said, "We have started constructing the satellite and we are aiming to make the announcement on the launch during National Day celebrations." This came during a Zoom conference on partnership with The UAE and the prospects of investment opportunities available to investors in the space sector.
