BAYAN SCHOOL NEWS

W

The Primary School held their annual Sports Day on Sunday and Monday this week. We would like to thank the parents, as their attendance and contribution added to the success of the event and brought tremendous joy to our students. We hope to see you in all our upcoming student related events. We would also like to thank our teachers and staff members for making this day such a successful event.

BAYAN SCHOOL NEWS

W

As a part of our KG1 & KG2 Life Skills Theme #4: Building International Understanding! Our students picked one of the countries they studied and dressed up accordingly. They also created beautiful Passports with pictures they drew of special features for each of the countries (KG1=8 & KG2=12 countries)! The most important learning was, ALL children need: LOVE, FOOD, a SAFE HOME and the opportunity to LEARN!

BAYAN SCHOOL NEWS

W

Bahrain Bayan School pays great attention to school activities that play a prominent role in the educational process and are not limited to teaching, but go beyond that with the aim of refining the student's personality, enhancing their self-confidence, strengthening their knowledge and developing their behavioral and social abilities and skills. This is in addition to its role in guiding and training them on how to deal with life situations and the challenges they may face in the battlefield of life outside the walls of the school environment, to deal with them intelligently and in a positive way, and to create a kind of intellectual and cognitive harmony with the outside community. This is why Bahrain Bayan School is keen, as usual, for the fourth year in a row to provide a program of school activities for primary, preparatory and secondary school students after the end of school hours. These video clips show some of the activities that have been implemented, and there are still some activities that will be implemented and presented in the coming weeks.
