BAYAN SCHOOL NEWS

W

On the occasion of the inauguration of the Zakat Al Elm Library at Bahrain Bayan School, we cannot but express our many thanks and gratitude to our true partners in excellence, success, and the essence of our educational mission, the parents. They have been the main source of the construction of this building as it helps in planting the seeds of science and knowledge in the hearts of our students to achieve their dreams and aspirations for the future.

BAYAN SCHOOL NEWS

W

With pride, Bahrain Bayan School presents the first display designed and implemented by the ambitious young graduate, Engineer Yaqoub Al-Khaja, who invested all his creativity and capabilities in his early works, translating them with a distinctive design in the Zakat Al-Elm Library building. Every day, the Kingdom of Bahrain is proud of its sons, who constitute a national asset to serve and develop their countries. Bahrain Bayan School is proud of the students' return to their second home again.

GENERAL NEWS IN BAHRAIN

The National Medical Taskforce:

As a precautionary measure Bahrain will move to the Yellow Alert Level from 19 December 2021 to 31 January 2022

in accordance with the COVID-19 Alert Level Traffic Light System

19 December 2021 - 31 January 2022

Adhere to the Yellow Alert Level's measures and procedures which were previously announced in accordance with the COVID-19 Alert Level Traffic Light System

- This step is precautionary**, the new Omicron variant has not spread in the Kingdom of Bahrain, but the decision has been taken in line with the Kingdom's approach of prioritising public health.
- The decision remains subject to review** upon further information becoming available on the Omicron variant from internationally recognised medical research.
- Eligible individuals should proceed to a health centre to receive a booster shot** without the need to make an appointment.

Yellow level

If the rolling average of positive cases in intensive care units is 51 - 100 cases for 7 days.

Work policy Applying up to 30% work-from-home policy across all government entities.

The following activities are for vaccinated and non-vaccinated individuals

- Providing the option to attend education and training institutions
- Holding of private events at home, with no more than 30 attendees
- Retail shops
- Entering standalone government centres

Limited to:

- Vaccinated green shield holders
- Those recovered from COVID-19
- Children under the age of 12 must be accompanied by a vaccinated or a recovered person

- Shopping malls
- Cinemas with up to 50% of the facility's capacity
- Events and conferences (50% capacity for indoor)
- Restaurants and cafes indoor services
- Barber shops, salons and spas
- Audience attendance at sporting events (50% capacity for indoor)
- Indoor gyms, sport halls and swimming pools
- Playgrounds and entertainment centres (50% capacity for indoor)

The essential sectors that will remain open are:

Hypermarkets, supermarkets, grocery stores, and stores that sell meat products and fresh vegetables, bakeries, fuel and gas stations, private health clinics, with the exception of some health services for which a circular is to be issued by the National Health Regulatory Authority, banks and currency exchange services, administrative offices of institutions and companies, whose activities are not directly customer facing, import and export distributors, automobile repair and spare parts shops, businesses operating in the processing, construction and maintenance sectors, factories, telecom operators, pharmacies.

Yellow Level Update in Bahrain

Bahrain will continue to remain in the Covid-19 yellow alert level until February 14, as a precautionary measure. Health Ministry Under-Secretary Dr Waleed Al Manea said a surge in Covid-19 infections was expected following the emergence of new variants.
