BAYAN SCHOOL NEWS

W

The Chairman and members of the Board of Trustees at Bahrain Bayan School extend their sincere congratulations and blessings on the occasion of the election of the Parents Council members, wishing them continued success and payment. On this occasion, we would like to extend our sincere thanks and appreciation to the people of Bayan for their great participation in the election of this council. The participation rate was 50%. This is the first time in the history of the school that the participation rate is so strong, which supports the success of the previous councils in communicating with parents. We thank all the people of Bayan for their support, communication and response to these elections.
