In line with the theme of the month and in an effort to spread Anti Bullying awareness, the Middle School section invited Parents to a Coffee Morning to have a casual, interactive session held in the Library. Parents learned to identify signs of bullying in different social situations and received information, tips and resources on how to get help.

We would like to thank the parents who attended and the Middle School Section.

Bahrain prepares to host first Arab cyber security summit

The event will be held under the patronage of His Royal Highness Prince Salman bin Hamad Al Khalifa, the Crown Prince and Prime Minister, at the new Exhibition World Bahrain, from December 6-8. The summit will be attended by representatives and officials from a number of GCC and Arab countries and cyber security experts and companies from around the world. The first edition of the summit aims to develop strategies on how Bahrain and the rest of the world can face the challenges of technological developments, improve data protection and networks. The event will also highlight the important role played by national and international infrastructure in shaping the cyber environment through workshops and discussion sessions from various experts and participating security companies. The summit also aims to address current and emerging cyber security threats, enhance defense, develop policy and shed light on Arab and international efforts in the field of cyber security. Bahrain has put in place the national cybersecurity strategy in accordance with the Kingdom's Vision 2030 to achieve cybersecurity goals.
