Our Grade 9 and 10 students attended a lecture on anti-bullying and cyber safety hosted by Capt. Abdulla AlJalahma From the Ministry of Interior part of the anti-bullying and prevention week activities. The students were actively engaged in the discussion. At BBS our primary aim is to provide our students with the right tools to make better decisions and enhance their social responsibility.

We would like to thank Capt. Abdulla AlJalahma for the informative session and the High school division for arranging the lecture.
