The annual Grade 6 Science Fair took place under the patronage of Sh.Haya bint Subah Al Khalifa, Grade 7 Science Fair under the patronage of Ms.Dina Fakhro, And Grade 8 Science Fair under the patronage of Ms. Khatoun Al Ansari. Students developed their research and analytical skills and enthusiastically presented their investigations to the Bayan community. We would like to thank all our patrons their incredible support of the Middle School Science Fair and involvement and interest towards the Bahrain Bayan School. And we would like to thank our Science Department, IT, Events & Maintenance departments for a well organised event. **Don't forget to follow our instagram account @bahrainbayanschool**

To celebrate the 40th anniversary of Bahrain Bayan School, the Middle School Math Department, Mr. Khaled Merabi, in collaboration with the Innovation Hub, Mr. Mohammed Abdel Baki, have integrated a creative learning activity which enables Grade 8 learners to make key chains by recreating the school' logo through using mathematical computations and equations. Students have shown an outstanding performance and experienced authentic learning through transforming abstract concepts to concrete icons.

Primary students celebrated Book Week with a number of activities this week that included Alumni guest authors as well as Character Day. Students had the chance to dress up as their favorite characters from their favorite books! And as part of our Preschool's Reading Celebration day our students were colorfully dressed as their favorite book character or had the book cover put on a 'T' shirt. Our students did a wonderful job sharing their favorite Arabic and English books to their classmates so everyone could learn about their favorite book and would be encouraged to read it too!!!

# EID AL-FITR

## What is Eid?

Eid al-Fitr is an Islamic festival that marks the end of Ramadan, the holy month of fasting when Muslims fast from dawn to dusk each day. It is the first time Muslims can eat during daylight hours after fasting during Ramadan. The translation of "Eid al-Fitr" from Arabic sums up the holiday as it means "festival of breaking the fast." Eid al-Fitr is celebrated during the first three days of Shawwal, which is the tenth month in the Muslim (lunar) calendar.

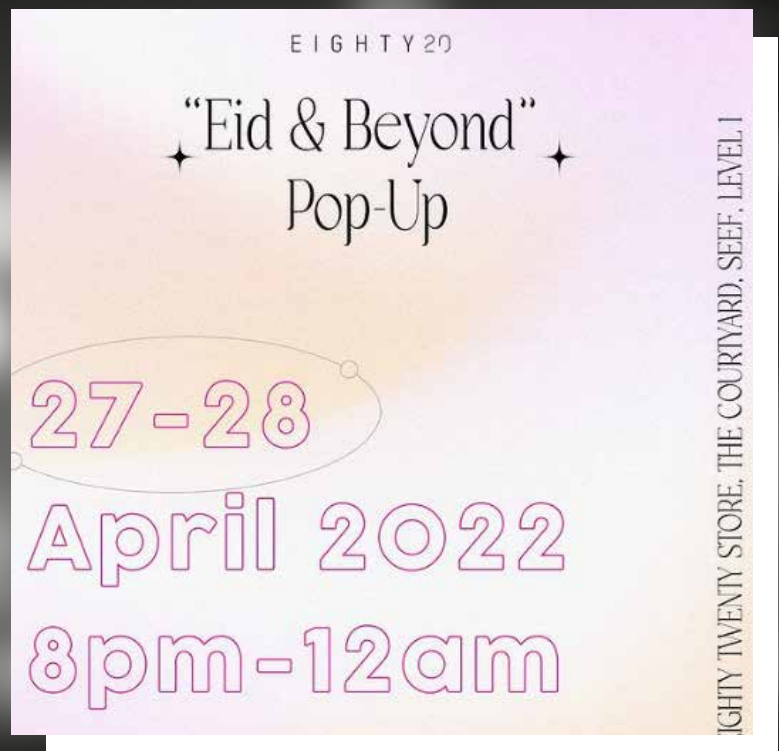

Muslims around the world perform communal prayer at daybreak on the first day of Eid al-Fitr, after cleansing themselves and donning new clothes. They then continue to celebrate for three days. A common greeting during Eid al-Fitr is "Eid Mubarak," which means "Blessed Eid." This greeting is used to wish other Muslims well during Eid.

These celebrations during Eid al-Fitr vary from country to country but include visiting family and friends, giving presents, enjoying feasts, wearing new clothes, and visiting the graves of relatives. Through these celebrations, Muslims show their gratitude to Allah after reflecting and fasting during Ramadan.
