Bahrain Teachers College (BTC) and Representatives from Boston University visited the Bahrain Bayan School yesterday and discussed the Masters Program in leadership which they will be offering with BTC. During this discussion they talked about what challenges educational leaders face in the region and possible ways to overcome them. The day ended with a tour of the school and its facilities. In 2022, access was limited to pilgrims aged 18 to 65 who have been fully vaccinated or immunized against the coronavirus and did not suffer from chronic diseases. In 2020, numbers were limited to just 1,000 pilgrims from inside the kingdom. This year, Hajj will be back to the pre-pandemic number!
