## **Bahrain #1**

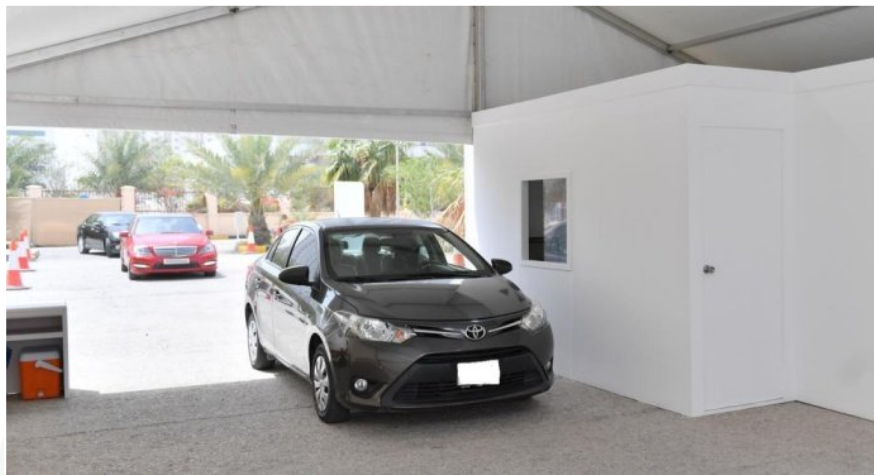

### **consultancy fees for expats suspended**

The BD7 fees imposed on expats for general medical consultancy at health centres has been indefinitely suspended. The decision was announced by Health Minister Faeqa Al Saleh as part of measures to ensure expats show up for medical consultancy to detect Covid-19 cases and prevent its spread.

## **Bahrain #1**

**"E-government": providing the reservation for the Corona test service by "cars" through the application of "conscious society"**

The Information and eGovernment Authority announced the provision of appointment reservation service to conduct the final examination of cases subject to home quarantine through vehicles through the "conscious community" application, in keeping with the new examination mechanism announced by the Ministry of Health and presented at the examination center at the Bahrain International Exhibition and Convention Center dedicated to examining cases, what It reflects the government's keenness to provide more facilities for citizens and residents to carry out tests within the precautionary and preventive plans aimed at limiting the spread of the Corona virus.

The centre will be operating all week from 8:00 am to 8:00 pm and the examination is conducted with an average time of up to 5 minutes across 8 stations .

## **Bahrain #1**

### **New 130-bed ICU for virus patients**

**A field intensive care unit with 130 beds has been set up to support treatment for Covid-19 at the BDF Hospital. An additional 500 beds dedicated to critical care have also been distributed in various areas across the country to provide the necessary treatment whenever the need arises.**

## **Bahrain #1**

### **Commercial and industrial businesses reopened last night**

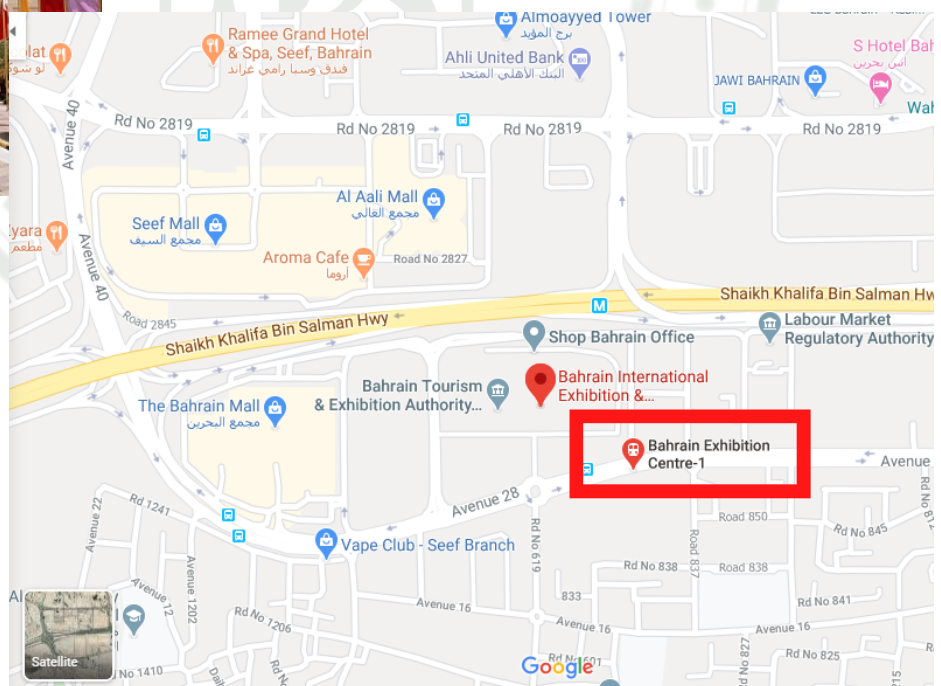

Commercial and industrial businesses reopened last night following two weeks of closure. While the government executive committee announced that these shops will be open until April 23, cinemas, salons, private sport centres, gyms and pools will remain closed, while restaurants' activities will be limited to takeaway and delivery.

## What should I do if I experience any of the COVID 19 symptoms?

**1. Employees who are asymptomatic or experience mild flu symptoms and wish to take a quick swab test for COVID 19 for health reassuring purposes can visit the Car Drive Thru Testing Center at the Bahrain Convention and Exhibition Center.**

What should I do if I experience any of the COVID 19 symptoms?

2.However, if you suspect or know that you have contacted an infected case or are experiencing symptoms, please contact 444 immediately.
