### MS. LAURYN HILL

A true renaissance person, GRAMMY Award winner Ms. Lauryn Hill took the world by storm with The Fugees in the nineties, with hit tracks "Killing Me Softly" & "Ready or Not". She followed this with the 10 Grammy award nominated "The Miseducation of Lauryn Hill" album that powerfully transformed how the world envisioned the possibilities of hip hop and genre as well as the contributions of women in the form and contemporary music, period. After a break in music that included motherhood, Ms. Lauryn Hill is back on the scene in full force celebrating the extended 20th anniversary of her hit album "The Miseducation of Lauryn Hill".

## Fun Facts That Will Make You Smile

### **The moon has its own time zones.**

An astronomer even designed a special watch that relies on "lunations," or the amount of time it takes for the moon to revolve and rotate around the Earth.

### **Your Heartbeat Syncs Up With Your Partner's**

Research out of UC Davis has shown that when you look into a loved one's eyes—specifically, a romantic partner—your heartbeat and breathing will sync up. It's called interpersonal synchronization
